

February 2018

Dear Business Owner:

### **Show your love for Pinckney!**

**Positively Pinckney (P2)** is asking area businesses to “show your love” by helping us shine a positive light on Pinckney schools and our community.

For the last four years, a volunteer committee of staff and board members, parents and professionals, has been working hard to promote Pinckney Community Schools and all that we have to offer. The goal of the P2 Team is to attract new families to the area and increase enrollment in our schools which, in turn, will help grow your business.

### **Why do we love Pinckney Community Schools?**

Our dedicated, passionate teachers, staff and administrators are focused on the individual needs of each student and helping them master the knowledge and skills that lead to success. Pinckney Community Schools also offers students many opportunities for growth with advanced placement classes; emphasis on performing and fine arts; project-based learning through New Tech High; nationally recognized robotics, automotive technology, computer networking and cyber security courses; dual enrollment through University of Michigan-Flint and much more.

### **How can you help?**

Every dollar in the district is devoted to supporting the staff and programs that make Pinckney Community Schools the very best for our students and families. The district does not currently allocate any funds to marketing. For that reason, the P2 Team seeks support from local businesses, individuals and families.

You can help by becoming a **Positively Pinckney Partner**. Your contribution will support the continued development and implementation of activities aimed at growing and sustaining our district and our community. Please review the attached **Positively Pinckney Partner** Commitment Form and select the level of support that is right for you. All contributions are tax deductible.

Join us and “show your love” for Pinckney! If you have any questions, please feel free to call me at (989)944-2626, or send me an email at dreynolds@pinckneypirates.org.

Thank you in advance for your support!

Sincerely,

Deb Reynolds  
PCS Parent & **Positively Pinckney** Chair
